

# PULPIT CURRICULUM

## Our Greatest Comfort

John 14:1-6

December 31, 2023 – Chris Peterson

**Prayer & Praise:** For our church to grow in the means of grace for the year ahead – the Word, Prayer, and Fellowship.

### He calls us to trust Him by pleading with us to believe He is God (v.1)

As you think back over the year, when were some times you remember being comforted by Christ?

When you are troubled, are there things you turn to before thinking to take your cares to Christ? Why is that?

### He calls us to trust Him by promising us to take us to God. (vv. 2-3)

How encouraging is it to think of your Lord waiting for you and eager to welcome you?

What comes to mind when you think of heaven?

### He calls us to trust Him by providing the way to God. (vv. 4-6)

How have you seen the exclusivity of Jesus Christ challenged? Was that ever a problem for you in coming to faith?

What are some other verses to know as you meet & engage others who claim there are multiple paths to God?

**Mutual Ministry:** *Talk about starting the new year with a fresh evaluation of means of grace in your life: the Word, prayer, and fellowship. Which is the strongest? Do any need some new ideas?*

*He hath broken down every wall of partition, and every iron gate he hath opened.*

*The way into the kingdom is opened for all believers.*
